Grippe or Influenza, whichever you like to call it, is one of the most weakening diseases known.

Scott's Emulsion, which is Cod Liver Oil and Hypophosphites in easily digested form, is the greatest strength-builder known to medical science.

It is so easily digested that it sinks into the system, making new blood and new fat, and strengthening nerves and muscles.

Use Scott's Emulsion after Influenza.

The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Sheop's Restorative is a medicine specifically prepared to reach these controlling moves. To doctor the Kidneys alone, is fulle. It is a waste of time, and of money as well.

Hestor Wanted A Big Turkey

HE president is going to have a twenty-five pound bigd for his dinner," mused Sam Hestor on his uncertain way to his home in Floyd street, Cleveland, on the eve of Thanksgiving last year. "What's the matter with Sam Hestor having a big bird?"

About this time he was passing the zoo. In the large inclosure was the pet ostrich, Charley. Hestor got his eye on Charley, and visions of a Thanksgiving feast of which Floyd eye on Charley, and visions of a street would talk for years came into his mind.

A few minutes later a policeman discovered Hestor chasing the ostrich around the pen. At times he got a
